

## Part I: Implementation

---

I need new music. Send me a link to at least one and no more than three songs you like. Links must be accessible without signing up for anything. Do not try to predict what I might like: I'm looking for new stuff here. I do not judge people on their musical preferences. Sincere recommendations only: rickrolling or similar will earn an instant F.

[Briggs -- by Mike Mains & The Branches](#)

[Sedona -- by Houndmouth](#)

[Head Right -- by Wilderado](#)
